Hello Jana!

I just met with our Secretariat today. They will be in OKC next Tuesday and are working with Keith Talbert to schedule visits to the venues we are considering. You may already have gotten an inquiry today, or should tomorrow, by Keith or Liliana Paz-Miller, from our Secretariat. Hopefully you are able to meet with them next Tuesday as I have requested that they meet with you to look at the venue again for the closing dinner on the 27th.

It was great meeting all of you and touring the magnificent venue. I apologize that you had not heard from the Secretariat sooner!

Warm Regards,

Luis Troche

Jana, thank you very much for your email, and I am sorry to have missed your first!

We are absolutely considering your location! We are still in the process of confirming with our Secretariat as to each of the locations, but Luis will likely be reaching out to you soon if he hasn't already.

Again, thank you so much for accommodating us. You guys have a beautiful venue that could suit the event nicely, I believe.

Hi Sarah,

Just wanted to reach out to you regarding the Phillips Pavilion location for your environmental ministerial meeting in June (possibly the 26th or 27th). I still have these dates held on our calendar.

Have you all decided on a location yet?

Thanks so much,
jana
